1. PowerPoints: For each chapter about 15 to 20 slides. We can customize PowerPoints for your use.
2. Case Analysis
There are 30 cases (or caselets—most are one page long, some two pages long)
3. Test Bank: For each chapter, about 50 questions, mostly MC (some T/F); about 5 Short Answer Qs.
Available in WORD, rtf, notepad. Other formats can be made available to adopters.
4. Photo Quiz: Each chapter has one Photo Quiz (match photos to named concepts). This is fun exercise for students and most students should be able to figure out the answer. If needed, help will be available to instructors.

CUSTOM PACK: We are able to offer Custom Packs (less than full book), shrink-wrapped. At less than the cost of full book.
